The Castle Partnership Trust is seeking new staff interested in joining this outstanding Trust comprising two secondary schools, a growing number of primary schools and a successful and thriving Teaching School which offers a range of opportunities to teachers wanting to pursue a career in leadership or training.

A leadership opportunity has arisen within our English faculty from September 2018. This is an exciting chance to be part of the development of literacy across the Trust and/or through the Teaching School. We are looking for someone who is either already a Head of English and looking for a new challenge or an effective second in English who we can invest in to take on a leadership role in the Trust to work in a team with Assistant Headteachers and Heads of English.

We are committed to reducing class sizes to reduce workload for our teachers and so we are also currently seeking teachers of English to join our warm and supportive teams.

Situated in Taunton and Wellington, the historic county towns of Somerset, The Castle Partnership Trust has been established since 2014 and is well regarded in both towns. The surrounding area boasts a range of stunning landscapes whilst still offering excellent transport links via the M5. Somerset is a lovely place for families and as a member of the staff, you will be assured a place for your children at our schools.

At The Castle Partnership Trust we are fortunate to have students who are motivated and enthusiastic about learning and taking part in the huge range of enrichment on offer. The Castle Partnership Trust is committed to providing strong professional development support for all colleagues who work with us. As a Teaching School and Trust sponsor, there are opportunities to build a fantastic CV working across The Castle Partnership Trust and within our Partnership of four secondary schools.

The final date for expressions of interest is Monday the 8th of January, however applications will be shortlisted as they arrive and interviews may be arranged individually.

The Castle School Trust is committed to safeguarding and promoting the welfare of children and young people and expects all who work here to share this commitment. The successful candidates will be subject to enhanced DBS disclosures.
