

1 July 2019

Dear Parent/Carer

As your child approaches the end of Year 9 I am pleased to be writing with details of our Year 9 GCSE Launch Evening on Monday 15 July from 6.00-8.00pm.

The aim of this evening is to support you as families at this key time before the GCSE courses begin and we strongly recommend all families attend, with their son or daughter. We will start with a talk in the main hall to highlight the context specific to this year group and share key dates etc. There will then be an opportunity to rotate around the core subjects of English, Maths, Science and RE so that you have clarity about the expectations in the coming academic year.

All option choices have now been confirmed and unless I have spoken direct with your child, then they have been successful in securing all three of their choices.

GCSE resources will be available to purchase on the 15th but only cash or cheque payments will be taken on the evening.

Please see details of rotations and specific timings attached.

Yours sincerely

Miss R Gee  
Assistant Headteacher
