Dear Parent/Carer   18 September 2018

For students studying GCSE (9-1) Combined Science – Foundation Tier

I am pleased to announce that we are in a position to offer revision guides and workbooks for the new GCSE science 9-1 specifications to yourselves at a vastly discounted rate.

These books, used in tandem, provide a comprehensive summary of each topic required for the new course as well as a wealth of short answer and exam style questions. They should therefore be of great help in seeing students fully prepared for the terminal examinations. The version we have selected as a Faculty is highly specific to the Edexcel syllabus and we feel it is the best available on the market.

We would encourage every student undertaking the GCSE Science courses to own and use these resources. As a school, we can obtain a generous discount of around 50% on each book, which we will pass on at no extra cost.

A revision guide and workbook is available for the entire double award course at a cost of **£8.50 for both books** (at RRP, these would normally cost £19.81).

I hope that this discounted rate is a help to you as families. Please pay either via the school's online payment system, by cash/cheque (made payable to The Castle School) or by credit/debit card (either in person or over the phone). If you are currently receiving free school meals please indicate below as funds are available to cover the cost.   The deadline for orders is Monday 8 October. May I take this opportunity to thank you for your support.

Yours sincerely

P. Collings

Paul Collings - Head of Science Faculty.

Please return this slip to Student Reception by 8 October 2018 to secure an order.

Combined Sciences – Foundation Tier
I would like to order the GCSE Combined Science (9-1) revision guide/workbook - £8.50 for two books.
