Dear Applicant

Cover Supervisor vacancy at The Castle School

Thank you for your interest in the position of Cover Supervisor at The Castle School. The Castle School offers a rewarding and positive environment in which to work and I hope that these details encourage you to submit an application.

The Castle School is a highly successful school where the children are courteous, respectful and have a lively interest in their own learning. We have high expectations of them as they have of us and we all work hard together to make sure that outcomes for our students are the very best possible. As a result, our students and their parents are appreciative and supportive. Everyone in the school contributes to the success of students and everyone, regardless of their role in the school, plays an equally important part in this. It is about the way we treat students, the way we speak to them and the respect we have, which is modelling best behaviour to students and they respond likewise.

If you feel that you are able to model exemplary behaviours and attitudes, that you want to be part of a thriving, busy and successful community where you are valued and where you will contribute to the success and happiness of our young people, we want to hear from you.

The role of Cover Supervisor is a vital and important one in the school and students have an excellent relationship with our current staff. You will have a valuable role to play in supporting students within the school. The post will involve supervising the learning of students when teaching colleagues are absent, together with supporting teaching and learning across the school. In addition to this, Cover Supervisors are required to cover 20 minutes of lunchtime supervision each day (or the full 50 minutes if no cover lessons are required either side of lunch break) as well as support the Special Educational Needs Department in the role of Teaching Assistant if there are no lesson cover requirements. The posts do not require qualified teacher status, although applicants with this status are most welcome to apply and often people use this as a stepping stone into a career in teaching. An enthusiasm for education and learning, and a commitment to supporting and working with young people are vital personal qualities for this role. Previous experience in a similar role is desirable but not essential as training will be provided.

The vacancy is for 33 hrs 45 minutes per week and is term time only (38 weeks per year) fixed term until June 2022. The normal working day is 8:30am to 3:45pm with a 30-minute unpaid lunch break. In addition, colleagues are required to attend Full Staff meetings, which keep you informed of whole school issues and developments in teaching and learning. This represents an actual starting salary £14,926 per annum, based on a full-time annual salary scale of £19,698 rising to £21,748.

The most important thing for our children is their safety. We foster a culture of vigilance amongst staff, students and parents. We always listen to children and take their concerns seriously. The Castle School is committed to safeguarding and all staff have a duty of care towards our young people. All complaints and concerns are fully investigated.

Please note that for posts working with children the successful candidate will be required to undergo an Enhanced Disclosure and Barring Service checks (DBS Check).
