

25 May 2021

Dear Parent/Carer of students currently studying for:

GCSE Separate Sciences (Biology, Chemistry, Physics)

I am pleased to announce that we are in a position to offer you revision guides and workbooks for the new GCSE Science 9-1 specifications at a vastly discounted rate.

These books, used in tandem, provide a comprehensive summary of each topic required for the new course as well as a wealth of short answer and exam style questions. They should therefore be of great help in seeing students fully prepared for the terminal examinations. The version we have selected as a Faculty is highly specific to the Edexcel syllabus and we feel it is the best available on the market.

We would encourage every student taking the GCSE Science courses to purchase and use these resources. As a school, we can obtain a generous discount of around 50% on each book, which we will pass on at no extra cost.

A revision guide and workbook are available for the entire double award course at a cost of **£15.25 for all six books** (at RRP, these would normally cost £35.64). Please pay either via the school's online payment system, by cash/cheque (made payable to The Castle School) or by credit/debit card (either in person or over the phone). If you are currently claiming free school meals please tick the box on the form below as funds are available to cover the cost of these resources.

I hope that this discounted rate is a help to you as families. May I take this opportunity to thank you for supporting your child's science education.

Yours sincerely

Mr P Collings - Head of Science Faculty

Please return this slip to Student Reception by 11 June 2021 to secure an order.

I would like to order the following GCSE Combined Sciences (9-1) revision guide/workbook (£15.25 for two books) – **Separate Sciences**

I enclose cash/cheque (made payable to The Castle School/**I have paid online** or by credit/debit card*.
