

Dear Parent/Carer

9 January 2020

Mark De-Lisser Vocal Workshop & Concert

I am delighted to inform you that Somerset Music has booked Mark De-Lisser to deliver the Gifted & Talented programme this year. Your son/daughter has been invited to attend. This is a unique opportunity not to be missed!

Mark is a vocal coach, choral director, arranger and author who has been working in the music industry for over 18 years. He was recently the vocal coach to the stars for the Children in Need programme 'Got it Covered' and led the choir in the BBC's acclaimed 'Our Dementia Choir' with Line of Duty's Vicky McClure.

TV/radio shows, including BBC Somerset, Points West and ITV West Country News, have shown an interest in covering the vocal Gifted and Talented event in January.

There is no cost for the workshop and concert. Your son/daughter will need to bring a drink and wear their school uniform. They have all been emailed audio files to rehearse at home in preparation for the workshop and concert.
