Dear Parent/Carer

RE: Extra-Curricular Sport Recognition Shirts

Extra-curricular sport is very popular and successful at The Castle School, with many students spending hours of their own time in practices and representing the school in fixtures. Thirteen years ago, our School Sports Council approached the PE department and Governors to ask if there was a way students could be recognised for their time and dedication to sport.

As a result, we offered our committed students who participate in extra-curricular sport on a regular basis the opportunity to purchase a T-shirt showing exactly this. As we are successfully tracking participation in school, we are suggesting that students have to attend at least 10 sports enrichment sessions before they are entitled to purchase a shirt. This can be done through lunchtime/afterschool clubs and House and school matches.

These smart, fitted, personalised T-shirts highlight the fact that these students represent the school in sport and they are worn with pride. We have chosen the make SCS (Somerset County Sports) which supplies excellent quality sports performance tops. Shirts will have The Castle School logo on the front and your child's name on the back. It can be first name or surname but no nick-names. It will have a green and black trim which matches the department's PE kit colours. There will be an opportunity for students in Year 10 and 11 to purchase a White Nike Branded BTEC or GCSE PE shirt for practical lessons so please be advised that you may want to hold on for these so you don't duplicate tops.
