Dear Parent/Carer

Year 11 Maths Pre-Public Exams: 11, 15 and 18 October

The PPEs are fast approaching and hopefully your child has started preparing for these assessments. A shortened revision list was posted on Show My Homework prior to the summer holidays, directing them to the Corbettmaths website for revision resources. This list does not cover all topics which will be assessed and your child should also be using their end of Year 10 exam PLC to select topics they need to work on.

Revision guides and workbooks for the GCSEs are available from Student Reception for £5 (the total cost for both). In addition, we have the opportunity to order in Corbettmaths revision cards at a reduced rate of £6.30. These are available to order at Student Reception using the form below.

If you are interested in purchasing these, please pay either via the school's online payment system, by cash/cheque (made payable to The Castle School) or by credit/debit card (either in person or over the phone).

If you are currently receiving free school meals please tick the box on the attached form as funds are available to cover the cost of the resources.

The best method for your child to revise is:

- Find a quiet place with the minimum of distractions
- Using their PLC or RAG-rated revision list, choose a topic they need to work on
- Revise that topic using whichever resource they prefer eg Corbettmaths, revision guide etc
- Practise a variety of questions on that topic and mark them to ensure they have understood (if they haven't then they should seek some extra help from a teacher).

Additionally, they will need to remember to bring a pen, pencil, ruler, protractor, pair of compasses and a scientific calculator to their exams.

If you require any further advice on how best to help your child prepare for their maths exams please feel free to contact me or their class teacher.

Yours sincerely
