Royal Marines Lymstone - The Castle School Taunton
Tuesday 21 November 10:00am - 3:20pm
Student Workshops and Student Concert

Dear Parent/Carer and Student

Exciting news! The Royal Marines, Lymstone are visiting The Castle School, Taunton, on Tuesday 21 November for a workshop day, culminating in an afternoon concert for our Year 7 and 8 cohorts.

Fresh from the Coronation of HM King Charles III, the world-famous Corps of Drums take centre stage, combining ceremonial tradition with a varied programme of entertaining concert band music across the modern genres.

The day workshop is open for all Brass, Woodwind, Percussion, Strings, Guitar and Keys, grade 3 approximately and above. Workshops will develop ensemble skills of a prepared piece of music ([Selections from The Greatest Showman arranged by Paul Murtha - YouTube](#)) which I will distribute to our instrumentalists to rehearse in advance. We will be joined by instrumentalists from surrounding schools.

Royal Marines Lymstone - Evening Public Concert

There will also be a concert on the evening, open to the public. The evening concert **will not** feature students. Ticket are £10 available here:
