All timings have been calculated carefully to take into account stringent EU drivers' hours regulations and allow for sufficient rest breaks to be taken. Any changes to either the outbound or inbound travel times must be authorised in advance by PGL for safety reasons.

Please also be aware that should you choose to depart from resort earlier than your scheduled departure time, PGL cannot guarantee that an earlier ferry/tunnel crossing will be available to you and you may therefore have to wait at the port until your scheduled crossing time.
