February 2019

Dear Applicant

I am delighted that you are interested in working at The Castle Partnership Trust and look forward to welcoming you to our school sites for a visit if you can, so that you can see first-hand what we are about and what we can offer you. Our schools are friendly and welcoming and our parents and students are always very appreciative of what staff do for them. We frequently have appreciative compliments from parents and members of the community, which I like to read out in staff briefings so people get the recognition they deserve. This builds a positive and warm school community where everyone is valued.

The Castle Partnership Trust is seeking new staff interested in joining this outstanding Trust comprising two secondary schools and a growing number of primary schools and a successful and thriving Teaching School which offers a range of opportunities to teachers wanting to pursue a career in leadership or training. We are committed to reducing workload for teachers by reducing class size and so we are looking for cheerful and committed **Teachers of Maths** to join our warm and supportive Secondary School teams from **September 2019**. Both full and part time posts are available.

At The Castle Partnership Trust, we value teachers. We have an outstanding record of training teachers and investing in our staff, believing that potential, enthusiasm and good subject knowledge leads to great learning. Our excellent CPD programme supports that; even the best teachers need to keep refreshed and interested, and to be given opportunities to develop themselves. We are serious about education for our students AND our staff.

We love diversity and richness in our school so we welcome teachers at the beginning of their career, as well as teachers who are further on in their careers, perhaps looking for something different and who wish to bring up their families in beautiful Somerset landscapes, enjoying a better quality of life. We are committed to reducing workload and are determined to reduce class sizes so that teachers too can have a quality of life. This is part of our Resilient Classrooms strategy that seeks to ensure good mental health for staff and for children.

Whatever stage you are at now, whether you are focused on your classroom practice or if you are looking to further your career, we have a superb CPD programme for everyone through our Teaching School. If you are ambitious to progress in your career, we will give you opportunities to develop leadership and management, to work with some of the best teachers in the country and to learn leadership from some of the best in the profession. We are aligned to the LSSW who are the providers of the NPQ programmes and many of our leaders will be delivering these programmes. We also have internal programmes for school leadership, Head of Department or Faculty, Pastoral leaders, Aspiring Strategic Leadership and our Exemplary Teacher programme. 80% of the 20 participants on the school leaders course went on to gain promoted posts either within or beyond the Trust. We regularly offer secondments to SLT for those interested and the Trust is a growing and thriving community where there are joint faculty meetings and CPD so that we all learn together and serve all the children in our Trust. There are increasing opportunities to develop leadership across the Trust and across phases as we open our first new primary school in 2020.

I hope you will understand from this our commitment to your professional development. As a result of our belief in investing in staff, we have a thriving and successful Teaching School and work closely with other Teaching Schools. I do hope that the successful candidates will find this interesting and exciting.

Our expectation is that staff at all levels have a strong visible presence and are responsive to students. We want students and parents to know that if there is a problem, we will take any action quickly and fairly so children know and trust that we will take care of things and will go the extra mile with them. There must be no child invisible at any of our schools. We are also committed to widening participation so that every child participates in learning and enrichment and all members of the school community are expected to pursue these aims.

If you wish to be involved in any of this, you will be very welcome. For those of you who are ambitious to progress in your career, this is an excellent opportunity to build up skills and experience that will prepare you for promotion at the right time. Equally, we want teachers who want to focus on their own practice and enrich children's lives and give them opportunities to become happy, prosperous adults with a strong moral compass and self-esteem, to contribute to society and participate.

The Castle Partnership Trust

The Trust comprises two secondary schools, Court Fields and The Castle, Wellesley Park Primary School in Wellington and IKB, (Isambard Kingdom Brunel) Primary School which will open in 2020 as well as a successful and thriving Teaching School, Affinity Teaching School Alliance. We work closely together with all of our feeder primaries in order to benefit our local communities. We are also working hard to develop an alternative provision that will enhance the PRU and ensure that young people who are disengaged or struggle with mainstream school are still part of our communities and feel that they belong. The Trust is small and local at the moment, and we work closely with a number of other local trusts and Teaching School Alliances.

This is an exciting stage of our growth as a Trust. If you wish to be involved in any of this, you will be very welcome. For those of you who are ambitious to progress in your career, this is an excellent opportunity to build up skills and experience that will prepare you for promotion at the right time. Equally, we want teachers who want to focus on their own practice and enrich children's lives and give them opportunities to become happy, prosperous adults with a strong moral compass and self-esteem, to contribute to society and participate.

It is critical to us that every child has a sense of belonging and worth, and that every child participates in enrichment and learning. We all know that exam results matter, they allow our students to progress in their education and to embark upon careers, but no less important is the kind of person they become. This leads to happy positive relationships, good health and to go on and live happy, prosperous (in every sense) and fulfilled lives. That is what we want for every single one of our children

The Castle School, Taunton

The Castle School is an outstanding school; it is good to have this recognised by OFSTED but it is more important that our students continue to receive the best education we can give them. Our students achieve some of the best exam results in the UK. We continue to achieve the top attendance rate in Somerset and that seems to me to be a good indicator of how much students enjoy school. We have been one of the top schools nationally for a number of years and are heavily oversubscribed with about 550 applications a year for 240 places.

This doesn't just happen of course. We work hard for our students and instil a positive learning ethos that is appreciative of others and supportive. Students have high aspirations and expectations of us as we do of them. Students will tell you the best thing about the school is the teachers and teachers will say the best thing about the school are the children and the staff who they work with. Children here achieve more than expected progress but it is critical to me that every child has a sense of belonging and worth, and that every child participates in enrichment and learning. We all know that exam results matter, they allow our students to progress in their education and to embark upon careers, but no less important is the kind of person they become. This leads to happy positive relationships, good health and to go on and live happy, prosperous (in every sense) and fulfilled lives. That is what we want for every single one of our children.

Court Fields School, Wellington

Court Fields joined the Trust in January 2014 and both the RSC and HMI have recognised the very effective work of the Headteacher, supported by the trust to secure improvement in the school. The school has improved exponentially thanks to the tireless dedication of the Headteacher, Rachael Bennett, and her team. We are looking for someone who is resilient, cheerfully optimistic, purposeful and with a great sense of humour to help Rachael lead the school in consolidating its next judgment which will be 'Good'. The progress was recognised by the HMI report in January of last year. Attendance has improved steadily over the four years since it joined the Trust and that is a good indicator of how much students enjoy school and are committed to their own success. This is increasingly evident as students moving through the school have enjoyed the improved quality of teaching and learning, the great enrichment programme and the warm and respectful relationships between staff and students.

Students at Court Fields are the best thing about the school. They are motivated and keen to learn but they are proud of their school and want to see it improve. Staff say that you never have to open a door for yourself, and there is never any litter. Students are very warm and appreciative and want their school to be Good. You will find them a joy to be with.

Safeguarding

The most important thing for our children is their safety. We foster a culture of vigilance amongst staff, students and parents. We always listen to children and take their concerns seriously. The Castle Partnership Trust is committed to safeguarding and all staff have a duty of care towards our young people. All complaints and concerns are fully investigated. Please note that for posts working with children the successful candidate will be required to undergo

Disclosure and Barring Service checks in line with the Local Authority and School Child Safeguarding Policy.

Somerset

Somerset is a beautiful county. It is full of pretty villages and bustling market towns. It sits perfectly between Exeter and Bristol, both excellent shopping and entertainment centres, and between the Blackdown Hills, an area of Outstanding Natural Beauty, and Exmoor. Taunton itself is a thriving market town with superb connections to other parts of the UK. The M5 and railways connect us to London, with the average journey time by rail taking a little over 2 hours. According to www.trainline.com, on an average weekday there are 36 trains per day travelling from Taunton to London Paddington, and Bristol airport is an easy 50 minutes drive.

Whether you are looking for a change of pace to bring up a family, or for a great centre for outdoor pursuits and exciting cities, Taunton is a perfect location. There are plenty of options for sports enthusiasts, with the Rugby Club, Somerset Cricket Club, as well as Taunton race course. There is even a Polo Club as well as water sports clubs for those who really want to branch out into new sports. Music is very important in Taunton and it is a venue for lots of acts where it feels like the whole of Taunton turn out. An unmissable local cultural event is the Carnival, especially nearby Bridgwater Carnival which claims it can be seen from space! Bright it certainly is but we're not sure it can be seen from space. Property prices are reasonable and there is an increase in the available housing market with attractive new developments in the local area.

Wellington is a rural town that sits conveniently between Junctions 26 and 27 of the M5 motorway. International factories Swallowfield and Relyon are the main sources of employment. The Fox family have been a huge part of Wellington's history and the textiles company of Fox Bros, is still an important employer. The town's population is growing, thanks to new housing developments. There are 4 primary schools in the town, plus 3 in outlying villages, that all feed into Court Fields. Due to the new housing developments, another primary school will be built within the next few years, which will be part of The Castle Partnership Trust. It is a friendly town, with many sports clubs, including rugby, football, cricket and bowling. There is also a very popular sports centre, with swimming pool. The Oake Manor Golf Club is between Wellington and Taunton, and is a venue for live entertainment, as well as golf. The Wellington Monument is situated 2 miles away, on the Blackdown Hills, which is a popular walking area.
