We are looking for an enthusiastic, talented **Teacher of Science** to join our dynamic, innovative faculty from **November 2021 to cover maternity leave**. You will have a passion for learning and teaching in Science together with the skills to inspire our students to succeed. There may be flexibility regarding the start date for the right candidate.

We offer an exciting and rewarding place to work, with access to the highest quality professional development, which ensures you are at the forefront of teaching and learning innovation. Our students are keen to learn and succeed; they appreciate their teachers' support and dedication.

At The Castle School we have very high expectations of ourselves and of our students. We invest heavily in our staff and have a superb reputation for outstanding support and development for teachers, particularly for NQTs. The successful candidate will join our outstanding Trust comprising two secondary schools, a growing number of primary schools and a successful and thriving Teaching School which offers a range of excellent opportunities to both experienced and newly qualified teachers.

You should be a committed and high-quality teacher wishing to join an extremely effective and supportive department. NQTs and experienced teachers are equally welcome to apply.

Application packs for the above post are available via the school website www.castleschool.co.uk.

Final closing date for applications is 9am on Monday 27th September 2021. Candidates are strongly encouraged to submit their application as soon as possible, as shortlisting will take place as applications are received and interviews may be arranged individually prior to this date.

The Castle Partnership Trust is committed to safeguarding and promoting the welfare of children and young people and expects all who work here to share this commitment. The successful candidates will be subject to enhanced DBS disclosures.
