

Year 11 Timetable Changes - Exams May 2024

Weeks 1, 2 and 3 (Thursday 9th May through to Friday 24th May 2024)

This pack gives a day by day summary of the different sessions and exams that are happening through the exam period.

Please read it carefully and track each day so that you know what you need to do.

Every exam has a pre-exam talk before you then complete the exam. These are coloured in green.

Intervention sessions are coloured in peach - you should attend these instead of normal lessons (if you study that subject).

Revision sessions are coloured in blue. You should aim to attend all of these (if you study that subject).

There may be other revision sessions happening that are not in this pack.

You will register every morning in the New Hall, where you will have a section for your tutor group. You must be in school by 8:40am every day.

If you are unclear about any days, please check with your tutor that morning, or speak to any member of staff.

If rooms are not listed, your teachers will tell you in advance where to go.

It is vital that you are on time for all interventions and exam briefings and it is an expectation that we have 100% attendance.
