

Year 11 Exam Season Timetable Changes

PART 1

Week 1 6th—9th May

Week 2 12th—16th May

Week 3 19th—23rd May

On exams days all students register in the New Hall; those that have an exam will go straight into their pre-exam briefing. Students that don't have an exam return to tutor bases or interventions.

Extra lessons have been scheduled close to final exams. Some are for the whole year group (eg Maths), while others are for students of a specific subject (eg Engineering).

Exams are shown here in green. When exams start at 1pm there will be an early lunch for those students, with the dining hall open and staffed by your subject teachers.

After school interventions and revision sessions continue as normal during the exam season. On some nights there is priority for key subjects that are close to their exam day.

All other lessons continue as normal. If there is no session on this timetable you need to attend, you should be in your usual class.

Week	Date	Day	Time/Lesson	Where are year 11 students?	Rooms?
1	06/05/2025	Tuesday		No Exams , normal timetable today	
			after school	Priority to GCSE Drama after school	DBS
