

# Year 11 Exam Season Timetable Changes

## PART 2

Week 4 2nd—6th June

Week 5 9th—13th June

Week 6 16th—20th June

On exams days all students register in the New Hall; those that have an exam will go straight into their pre-exam briefing. Students that don't have an exam return to tutor bases.

Extra lessons have been scheduled close to final exams. Some are for the whole year group (eg Maths), while others are for students of a specific subject (eg Engineering).

Exams are shown here in green. When exams start at 1pm there will be an early lunch for those students, with the dining hall open and staffed by your subject teachers.

After school interventions and revision sessions continue as normal during the exam season. On some nights there is priority for key subjects that are close to their exam day.

On some days students will be allowed to finish school early or to start late, depending on their individual exam schedule.

<b>Week 4</b>	Date	Day	Time/Lesson	Where are year 11 students?
	02/06	Mon	AM Reg	All register in New Hall
			Lesson 1	A Population—Extra Maths Lesson
