# Get organised

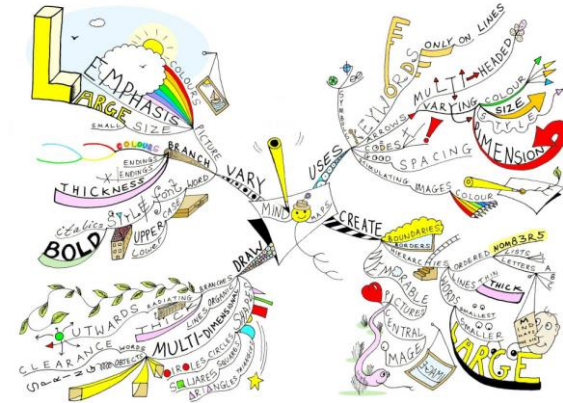

- Write a revision timetable and **STICK** to it
- Break your subjects into topics and then topics into areas
- Use your PLCS
- Buy revision stationary and a new exercise book/folder- keep these at home, nice and safe
- Actively use [showmyhomework.com](https://www.showmyhomework.com)
- Attend revision sessions

# Revision strategies

- Plan your revision! Make it manageable use PLCs
- Mindmaps
- Notes and condensing note
- Flash cards
- Speaking aloud, recording
- Visual aids- cover your room with dates or quotes
- Diamond 9 to plan exam questions
- Revision clocks
- Learning grids
- Past papers – specification website

Choose the techniques that work best for you!
