## Uniform Policy

**Date: June 2024**

Headteacher at The Castle School: James Lamb

Due for review: Spring Term 2025

As part of our policy and ethos, every child should wear their school uniform and PE kit. We believe the benefits wearing school uniform provides include:

- Creating a sense of identity for the school
- Establishing a sense of community and belonging
- Giving students a sense of pride and instilling confidence
- Creating a non-distracting environment for learning.

School uniform requirements will be published on the school's website in order that parents, carers and students are aware of these before expressing their preference for choice of school.

Regular reminders about the uniform will be communicated to parents, carers and students through letters and social media. All uniform should be clearly marked with the student's name.

We regularly review our school uniform to ensure they are as cost-effective as possible and we limit the amount of compulsory 'branded' items. Financial assistance for families entitled to claim free school meals may be available and enquiries should be made through the relevant school.

**Please note that if a shop sells articles of clothing/trainers in its school section this may not mean that those items comply with our school uniform policy.** If you have a question regarding uniform or your child is considering a change to their hairstyle or a piercing, please contact your child's Tutor or Head of House for guidance.

As part of our ethos to have an eco-friendly school, 'pre-loved', second hand uniform is available for all families. Please contact the school office for further information.

Students will be expected to be dressed in correct school uniform at all times throughout the school day, including on the journey to and from school.

Uniform is available from South West Schoolwear. This can be purchased online at [www.swschoolwear.co.uk](http://www.swschoolwear.co.uk) or at their shop in Taunton.
